TONTOQUONIAN

I am an ancient symbol of the Acoma Indians.

*My darkness represents the clouds, my lines
the rain.*

I am a symbol of the unknown, the future.

What lies beyond my clouds?

What treasures may descend with my rain?

*Will it be fulfillment of dreams or
shattered hopes?*

TONTOQUONIAN

... SAUGUS, MASSACHUSETTS

... PUBLISHED BY CLASS OF 1961

Dedication

They have listened to our problems with patience, encouraged us when we were disheartened, inspired our quest for knowledge and taught us the meaning and importance of understanding.

Their continuous help and guidance, and their effort to make us happy and secure, will always remain our most treasured memory. Words cannot express our appreciation, but to show how much we love, honor, and respect them, we, the senior class, dedicate this, our 1961 Tontoquonian,

to our Parents.

Principal
Mr. Wayne S. Porter

To the Class of 1961:

You, the Class of 1961, are living in the most exciting era in the history of the world. The innate curiosity of man has led to the space age. Man is today poised on the threshold of exploring new worlds.

It is, indeed, a challenge that you and the millions of other youth across the nation face in keeping the peace of this old world, and at the same time reaching out toward the planets of the solar system and beyond.

Though the dangers are frightening and the wonders of the world to be explored are challenging, there is opportunity for you that few generations have ever enjoyed.

Victory in the cold war and the leadership of the United States in the conquest of space depend much upon the sense of responsibility, individually and collectively, that you the leaders of tomorrow assume.

I have watched you develop during the past three years and have every confidence that you are qualified to fulfill your role in meeting the challenge of this wondrous and uncertain age.

The Dramatic Club each year provides four paid talent assemblies for the student body.

Through the efforts of the Dramatic Club aided by the Senior Classes and Girls' Club many new additions have been made to our stage in the last four years, a white divided curtain, counterweights (to raise and lower the border lights and batons), overhead microphones individually mounted, two additional speakers for the auditorium.
